

Reference

- 1. If a provision of the Assurances is violated**
- 2. The commitments to manage machine tools made in Japan**

1. If a provision of the Assurances is violated

- After you violate a provision of the Assurances, you may receive a negative decision from METI against buying a new machine tool made in Japan.
- And also you may not be able to receive any service for other machine tools that have not violated a provision of the Assurances
- Please consult the purchaser of your machine tool if you have any questions.

2. The commitments to manage machine tools made in Japan

- 1 -

- METI of Japan recognizes that you possess and use the machine tool. You must comply with the provisions of the Assurances since each of the provisions of the Assurances is your commitment to METI.
- The provisions of the Assurances remain in force until you sell to a third party or scrap the machine tool.

To: ABC Co., Ltd.
